Figure 11-27  Report Child Porn allows people to report child pornography Web sites.

Figure 11-28  Child Focus is a Belgian organization that fights child exploitation.

The following are the features of Child Focus:

- It provides active support in the investigation of the disappearance, abduction, or sexual exploitation of children.
- It supports and encourages investigations and legal measures.
- It ensures follow-up to the cases that are entrusted to it and participates in the counseling of victims.

Figure 11-28 shows the Child Focus Web site.
