Privacy policy

This privacy document explains how information you provide to the application, if any, are used.

- **Data collected automatically**

  The application does not collect any data without your knowledge.

- **Using collected information**

  Any collected data will not be transferred or sold to any third-parties.

- **Protecting data**

  The application does not collect or store information that is linked to a specific name.

- **Contacting you**

  If you asked us a question, we may contact you by e-mail, phone or post in order to answer it.

- **Contact**

  Contact to the data collector: digitalgeneration.info@gmail.com

  If you have additional questions about privacy policy and privacy protection, please contact us using the e-mail address above.
